

Theresa Browne:

I have been a teacher/coach with Croydon Amphibians since 1991 when the oldest of my four children joined the club. I taught at Thomas More for many years and then was asked to take Pre-Squad (Bronze) about 8 years ago.

I first joined Croydon Amphibians (when it was Croydon Ladies) when I was 9 and enjoyed swimming competitively for many years. I also helped at Thornton Heath pool with the beginners when I was 16 which is when I decided to become a qualified teacher.

One of the things I most enjoy about teaching is seeing the children progress. Most of the children in the top squad have come through the squads and I have seen them grow into very competent swimmers. I hope to stay with Croydon Amphibians for many more years and have just a small part in helping our swimmers reach their full potential and their goals in their swimming careers.
