

New changes to the club shop

From September there will be some new changes to the club shop. As I had many problems about payments for the last couple of years, I will only process your order after I receive the payment. However your cheque will not be cashed until you receive the items. Therefore I cannot take any more email orders. Also for the same reason you cannot receive the items from the coaches on your behalf. Order forms can be given to me in person or sent to me with the payment.

I will bring the kit to the pool on 2nd and 4th Thursday evening (7:30-8pm) every month for you to collect.

You can send the order form and cheque to:

14 Uplands Road
Kenley Surrey
CR8 5EF

Cheques made payable to CASC please.

When in a hurry, most items are available from the links on our club shop web page – Swimshop and Clubshop.com.

Most of the time they will send the items to you in a few days.

Thank you
