Orpington O'Jays Meet - Level 2

A team of 34 swimmers from CASC took part in the annual Orpington O'Jays meet at the Black Lion Gillingham on Sunday 6th April 2008. With bad weather forecast it looked to be a miserable day but our wonderful team spirit and competitive performances put a smile on everybody's faces. With a total of 44 new short course PB's, 24 medals, 5 gold, 12 silver & 7 bronze plus an additional 18 (4-6) placings placed CASC 2nd Top Visiting Club.

There were some very encouraging performances from our younger contingent. Tor Wheeler and Jack Kavanagh competed in their very first level 2 meet for CASC. With their squad coach present they both swam superbly with Tor achieving PB's at both the 50m Back & 50m Free and Jack enjoying the same success as his older brother at Breaststroke with 6th place and a new PB.

13yr old Ben Dubben who has been in Platinum Squad now for 5 months was the star of the day amassing 5 new short course PB's and missing his London regional Qualifying Time by a whisker at the 100m Brst. His time was a ten second PB and he finished 3rd in this event. In the last couple of seasons CASC is regarded amongst one of the top 3 clubs in the Surrey County at Breaststroke behind Guildford City and Kingston Royals. Hiro Harazawa, David King, Hik Harazawa, Ben Dubben, William Jackson, Ciaran Kavanagh, Joe Walkling & Catherine Wrench all took home Breaststroke medals showing our amazing strength in depth across the age groups from 12 – 17yrs.

11yr old Amelia Machugh is fast becoming a very strong freestyler and proved just that by coming 3rd in the 50m Free in a new PB of 33.14. A special mention goes to girls Captain Rebecca Mulcahy who despite suffering with a bad cold competed in all of her six events and performed consistently well.

Congratulations to all the swimmers who competed and keep up the hard work. A full set of results can be now found on the results page of our website.
