

## **CHIEF COACH**

The Chief Coach works in partnership with the committee to determine the overall development and direction of the squads and competitive swimming division of the club (excluding Masters). The Chief Coach provides guidance to swimmers, staff and parents in planning for the development of our swimmers over time. As well as providing a model of good practice, the chief coach is responsible for supporting the committee in identifying any changes in provision that may be necessary to keep the competitive element of the club successful; and to alert the committee to details of requirements to changes in provision that will support the club in pursuance of excellence.

All coaches work to support the CASC Codes of Conduct, Child Welfare and related documents and to ensure equality of opportunity to those wishing to participate in the sport.
